Regional Grades and Compulsory Levels

Congratulations to all the girls who represented Sapphire in the Regional Grades on Saturday 18th and Compulsory Levels on Sunday 19 March 2017.

In National Grade 4, Amy Price placed 4th and Lucie Polivka Manning placed 13th. This result means that Amy Price will be part of the East region team to compete nationally later in the year.

In Grade 2, Lillianna Moring became joint Regional Champion and Amari Freckleton placed 9th. This means Lillianna Moring will now represent the East region late in the year in the national finals.

In Compulsory Level 4 (out of age), Leah Kennedy placed 1st. Leah also got to meet and have a photo with Max Whitlock, Britain's most successful gymnast who also started his gymnastics at Sapphire.

Well done to all the girls and their coaches.
