

Additional restrictions due to Covid-19

Please take a moment to go through our current additional restrictions on our parties due to the government guidelines.

These restrictions are currently in place for all parties happening before Monday 19th July 2021

For our unstructured parties:

- A maximum of 1 adult per child attending will be allowed on premises (no additional siblings or adults).
- All other parents are free to drop off and go or remain outside of the building for the duration of the party.
- All adults on site must wear face masks and remain socially distanced where possible.
- Tables in our food area will be divided into groups of 5 with Perspex partitions, with space for up to 30 children.

We are also offering a no food option should you wish to just attend the gym section of the party (1 hour duration); this is at a reduction of £55.
